PHARMACY PROVIDERS

Introduction

This booklet provides a list of the HAP Senior Plus Group (HMO), HAP Senior Plus Group (HMO-POS) and HAP Senior Plus Group (PPO)'s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Formulary.

When this pharmacy directory refers to "we," "us", or "our," it means Health Alliance Plan of Michigan and Alliance Health and Life Insurance Company. When it refers to "plan" or "our plan," it means HAP Senior Plus.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under our plans only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescriptions but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 12/26/2023. For the most current list, contact us. Our contact information appears on the front and back cover pages.

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing, if your plan offers a preferred cost-sharing benefit. We have marked these pharmacies with "Preferred Pharmacy" to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. Our preferred mail order program is Pharmacy Advantage. For more information, please contact us or see the mail order section of this pharmacy directory.

This directory is for the state of Michigan including the area in which you live. However, we cover a larger service area, and there are more pharmacies where your prescriptions may be covered by our Plan. For information on more pharmacies in our plan network not listed in this directory, please call Customer Service.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

MAIL ORDER PHARMACIES

Pharmacy Advantage
800-456-2112
www.pharmacyadvantagerx.com

You can get prescription drugs shipped to your home through our network mail order delivery program. Our preferred mail order program is Pharmacy Advantage

If you have used mail order services with your current plan before, or if you opt in now, our pharmacy will automatically fill and ship new prescriptions received directly from your doctors or other prescribers. You may opt out of automatic deliveries of new prescriptions at any time by contacting Pharmacy Advantage through its website contact us function or by calling 800-456-2112. If you never had mail order delivery and/or decide to stop automatic fills of new prescriptions, we will contact you each time we get a new prescription from a provider, to see if you want the medication filled and shipped at that time. This will give you an opportunity to make sure that the correct drug (including strength, amount, and form) will be delivered, and, if necessary, allow you to cancel or delay the order before you are billed and it is shipped.

For refills of your mail order prescriptions, you have the option to sign up for an automatic refill program with Pharmacy Advantage. Under this program, we will start to process your next refill automatically when our records show that you should be close to running out of your drug. We will contact you prior to shipping each refill to make sure you are in need of more medication. You can cancel scheduled refills if you have enough of your medication or if your medication has changed. If you choose not to use the auto refill program, please contact the pharmacy 10 days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. To opt out of the automatic refill program, please contact Pharmacy Advantage through its website contact us function or by calling 800-456-2112.

Typically, you should expect to receive your prescription drugs within 14 days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time, please contact us at the number listed on the front and back covers of this directory, or Pharmacy Advantage at 800-456-2112.

We understand that you may need drugs from your mail order pharmacy faster than they would usually send them. If you need quick access to drugs from your mail order pharmacy, you can call the pharmacy and let them know your situation including when you need your medication. They will work with you to get your medication delivered so that you don't go without your drugs. If they are unable to ship the medication in time, please contact us. We can work with you to get a temporary supply of medication filled at a local pharmacy.
