Section 1 – Introduction

This directory provides a list of HAP Senior Plus (PPO) and HAP Senior Plus Group (PPO)'s network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage (EOC).

Network Providers

The network providers listed in this directory have agreed to provide you with your health care services. We list the providers that participate with our plan in our Provider Directory. While you are a member of our plan you may see any network provider for covered services, without a referral.

Out-of-Network Providers

Out-of-network providers are under no obligation to treat HAP Senior Plus (PPO) or HAP Senior Plus Group (PPO) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at the phone number listed at the beginning of this directory. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

You can choose to receive care from out-of-network providers. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

Bills from Out-of-Network Providers

If you get a bill from an out-of-network provider, do not pay it. Submit the bill directly to HAP at the address below. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

Emergency Services

You may get covered emergency medical care whenever you need it, anywhere in the world. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health.

Your coverage includes emergency care services, urgent care services and ambulance services whether you are within the United States or outside the United States and its territories.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If you get your follow-up care from out-of-network providers, you will pay the higher out-of-network cost-sharing.

Urgent care

You should always try to obtain urgently needed services from network providers. When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any provider at the lower in-network cost-sharing amount.

Our plan covers urgently needed care anywhere in the world.
