B. Providers

B1. Key terms

This section explains key terms in our *Provider and Pharmacy Directory*.

- **Providers** are health care professionals and support providers such as doctors, nurse practitioners, psychologists, hearing, dental, or vision specialists, nurses, pharmacists, therapists, and other people who provide care and services. **Services** include medical care, long term supports and services (LTSS), supplies, prescription drugs, equipment, and other services.
    - The term “providers” also includes facilities such as hospitals, clinics, and other places that provide medical services, medical equipment, and long term supports and services.
    - Providers that are a part of our plan's network are called **network providers**.
- **Network providers** are the providers that have contracted with us to provide services to members in our plan. The providers in our network generally bill us directly for care they give you. When you see a network provider, you usually pay nothing for covered services.
- A **Primary Care Provider** (PCP) is a doctor who gives you routine health care. Your PCP will keep your medical records and get to know your health needs over time. Your PCP will also give you a **referral** if you need a specialist or other provider.
- **Specialists** are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
    - Oncologists care for patients with cancer.
    - Cardiologists care for patients with heart conditions.
    - Orthopedists care for patients with certain bone, joint, or muscle conditions.

- You may need a **referral** for a specialist or someone that is not your PCP. A **referral** means that your Primary Care Provider (PCP) must give you approval before you can go to someone that is not your PCP. If you don't get a referral, HAP Empowered MI Health Link may not cover the service.
    - Referrals from your network PCP are not needed for:
        - Emergency care;
        - Urgently needed care;
        - Kidney dialysis services that you get at a Medicare-certified dialysis facility when you are outside the plan's service area; **or**
        - Services from a women's health specialist.
    - Additionally, if you are eligible to get services from Indian health providers, you may see these providers without a referral. We must pay the Indian health provider for those services even if they are out of our plan's network.
    - More information on referrals is available in Chapter 3 of the *Member Handbook*.
- Your provider may need **prior authorization** or an approval from HAP Empowered MI Health Link before you get certain services. Covered services that need prior authorization are marked in the Benefits Chart in Chapter 4. Some drugs are covered only if you get prior authorization from us. Covered drugs that need prior authorization are marked in the *List of Covered Drugs*.
- You also have access to a **Care Coordinator** and a **Care Team** that you choose.
    - A **Care Coordinator** helps you manage your medical providers and services.
    - Your **Care Team** includes you, your chosen allies or legal representative, Primary Care Provider, Care Coordinator, LTSS Coordinator or Prepaid Inpatient Health Plan (PIHP) Supports Coordinator (as applicable), and others as needed. Everyone on the Care Team works together to make sure your care is coordinated. This means that they make sure tests and labs are done once and the results are shared with the appropriate providers. It also means that your PCP should know all medicines you take so that they can reduce

any negative effects. Your PCP will always get your permission before sharing your medical information with other providers.

B2. Primary Care Provider (PCP)

You can get services from any provider who is in our network and accepting new members.

First, you should choose a Primary Care Provider. You may be able to have a specialist act as your PCP. You may choose a specialist to be your PCP if you have a chronic condition and have been undergoing treatment with that specialist and the specialist agrees to be your PCP. To request that a specialist serve as your PCP, call Customer Service at (888) 654-0706, (TTY: 711). To choose a PCP, refer to the list of providers beginning on page 14 and choose a provider:

- that you use now, **or**
- who has been recommended by someone you trust, **or**
- whose offices are easy for you to get to.
- If you want help in choosing a PCP, please call Customer Service at (888) 654-0706, (TTY: 711), seven days a week, 8a.m. to 8p.m. The call is free. Or, visit www.hap.org/mihealthlink.
- If you have questions about whether we will pay for any medical service or care that you want or need, call Customer Service and ask **before** you get the service or care.

B3. Long term supports and services (LTSS)

As a HAP Empowered MI Health Link member, you may be able to get long term supports and services (LTSS), such as home help (personal care services), nursing home and home/community-based services. LTSS help people who need assistance to do everyday tasks like taking a bath, getting dressed, making food, and taking medicine. Most of these services are provided at your home or in your community but could be provided in a nursing home or hospital.

You should discuss your long term supports needs and services with your Care Coordinator to determine which services you qualify for and how to access them.

B4. How to identify providers in HAP Empowered MI Health Link's network

You may need a referral to see someone who is not a Primary Care Provider (PCP). There is more information about referrals in Section B1 of this Directory on page 5.

You must get all of your covered services from providers within our network. If you go to providers who are not in HAP Empowered MI Health Link's network (without prior authorization or approval from us), you will have to pay the bill.

> A **prior authorization** is an approval from HAP Empowered MI Health Link before you can get a specific service, drug, or use an out-of-network provider. HAP Empowered MI Health Link may not cover the service or drug if you don't get approval.

The exceptions to this rule are when you need urgent or emergency care or dialysis and cannot get to a provider in the plan, such as when you are away from home. You can also go outside the plan for other non-emergency services if HAP Empowered MI Health Link gives you permission first.

- You may change providers within the network at any time during the year. If you have been using one network provider, you do not have to keep using that same provider. You may change your PCP for any reason, at any time. Contact Customer Service at (888) 654-0706, (TTY: 711). The representative you speak to can assist you in choosing a new provider or you can choose your own.
- HAP Empowered MI Health Link works with all the providers in our network to accommodate the needs of people with disabilities. As applicable, the list of network providers in this Directory includes information about the accommodations they provide.
- If you need to see a provider and are not sure if they offer the accommodations you need, HAP Empowered MI Health Link can help you. Talk to your Care Coordinator for assistance.

C. HAP Empowered MI Health Link's network providers

See Table of Contents for providers and pharmacies starting on page 14.

D. List of network pharmacies

This part of the Directory provides a list of pharmacies in HAP Empowered MI Health Link's network. These network pharmacies are pharmacies that have agreed to provide prescription drugs to you as a member of the plan.

We also list pharmacies that are in our network but are outside of Macomb and Wayne counties in which you live. You may also fill your prescriptions at these pharmacies. - HAP Empowered MI Health Link members must use network pharmacies to get prescription drugs except in emergency or urgent care situations.
    - If you use an out-of-network pharmacy for prescriptions when it is not an emergency, you will have to pay out of pocket for the service.
    - Read the HAP Empowered MI Health Link *Member Handbook* for more information.

This Directory may not list all network pharmacies. We may have added or removed some network pharmacies from our plan after we published this Directory.
