HAP Empowered Health Plan, Inc., a Michigan Medicaid Health Plan, is a wholly owned subsidiary of Health Alliance Plan of Michigan (HAP). It is a Michigan nonprofit, taxable corporation.

Section 1 – Introduction

This is a list of HAP Empowered Medicaid network providers. For full details about your coverage, see your member handbook and/or certificate of coverage.

- You have to choose one of our network providers in the list to be your **Primary Care Provider** (PCP). The term ‘PCP’ is used throughout this directory.
 - A **Primary Care Provider** is a doctor who gives you routine health care. Your PCP will get to know you, your medical history and your health needs.
 - To choose a **PCP**, go to the list of providers and choose one:
 - you use now, or
 - recommended by someone you trust, or
 - whose offices are close to you.
 - If you want help, call us at (888) 654-2200 or TTY 711 or go to <http://www.hap.org/medicaid>. Our hours are Monday-Friday from 7:30 a.m. to 8:00 p.m. We can be reached 24 hours a day, 7 days a week.
 - If you want to know if we will pay for any service or care, call us **before** you seek service or care.

Network Providers

- The “**network providers**” have agreed to provide you with your health care services. You may go to any network providers listed. Some services **may** need a **referral**.
- If you have been going to one network provider, you don’t have to go to that same one. You **may** get covered services from non-network providers.
- You must use network providers except emergency or urgent care situations or for out-of-area renal dialysis or other services. If you get routine care from out-of-network providers, HAP Empowered will not cover the costs.
 - If you want to know if we will pay for a service or care, ask us **before** you receive the service or care.
 - Exceptions are urgent or emergency care or dialysis and you can’t get to a provider in the plan. You could be away from home.

- If you get routine care from out-of-network providers without approval, you may need to pay.

Emergency Services

- If you have a life-threatening emergency, go to the closest hospital or call 911. You are covered for emergency services in Michigan. You do not need a referral or prior authorization for emergency care.
- If you are away from home or out-of-state and have an emergency, go to the closest hospital. HAP Empowered will cover emergency care. All other out-of-area care needs authorization from HAP Empowered and your PCP.
- HAP Empowered does not cover medical services outside the U.S.
- If you get sick away from home or out-of-state but it is not severe enough to go to the hospital, call your PCP. You need a referral for non-emergency services when you are away from home or out-of-state. If you do not get a referral, you may have to pay.
