HAP Empowered Health Plan, Inc., a Michigan Medicaid Health Plan, is a wholly owned subsidiary of Health Alliance Plan of Michigan (HAP). It is a Michigan nonprofit, taxable corporation.

## Section 1 – Introduction

This is a list of HAP Empowered Medicaid network providers. For full details about your coverage, see your member handbook and/or certificate of coverage.

- You have to choose one of our network providers in the list to be your **Primary Care Provider** (PCP). The term ‘PCP’ is used throughout this directory.
  - A **Primary Care Provider** is a doctor who gives you routine health care. Your PCP will get to know you, your medical history and your health needs.
  - To choose a PCP, go to the list of providers and choose one:
    - you use now, or
    - recommended by someone you trust, or
    - whose offices are close to you.
  - If you want help, call us at (888) 654-2200 or TTY 711 or go to <http://www.hap.org/medicaid>. Our hours are Monday-Friday from 7:30 a.m. to 8:00 p.m. We can be reached 24 hours a day, 7 days a week.
  - If you want to know if we will pay for any service or care, call us **before** you seek service or care.

## Network Providers

- The “**network providers**” work with HAP Empowered and have agreed to provide our members health care services. We monitor our network providers to ensure they deliver the highest quality of care to you. You may go to any network providers listed in this directory. Some services **may** need a **referral**.
  - A referral means that your primary care provider (PCP) or other network provider must give you approval before you can see a specialist or someone that is not your PCP.
- If you have been going to one network provider, you don’t have to go to that same one. You **may** get covered services from non-network providers but will need HAP Empowered approval before receiving those services.
- You must use network providers except emergency or urgent care situations or for out-of-area renal dialysis or other services.

- If you get routine care from out-of-network providers without approval, HAP Empowered will not cover the costs and you may need to pay. You may need a referral for a specialist or someone that is not your PCP.
  - If you want to know if we will pay for a service or care, ask us **before** you receive the service or care.
    - Exceptions are urgent or emergency care or dialysis, family planning and women's health doctors or if you can't get to a provider in the plan. For example, you could be away from home.
    - Specialists are doctors who provide health care services for a specific disease or part of the body. There are many kinds of specialists. Here are a few examples:
      - Oncologists care for patients with cancer.
      - Cardiologists care for patients with heart conditions.
      - Orthopedists care for patients with certain bone, joint or muscle conditions.

### **Emergency Services**

- If you have a life-threatening emergency, go to the closest hospital or call 911. You are covered for emergency services in Michigan. You do not need a referral or prior authorization for emergency care.
- If you are away from home or out-of-state and have an emergency, go to the closest hospital. HAP Empowered will cover emergency care. All other out-of-area care needs authorization from HAP Empowered and your PCP.
- HAP Empowered does not cover medical services outside the U.S.
- If you get sick away from home or out-of-state but it is not severe enough to go to the hospital, call your PCP. You need a referral for non-emergency services when you are away from home or out-of-state. If you do not get a referral, you may have to pay.

## How do you find HAP Empowered providers in your area?
