## **Section 1 – Introduction**

This directory provides a list of HAP MSU-HC Medicare Prime (PPO)'s network providers.

The network providers listed in this directory have agreed to provide you with your health care services. You may go to any of our network providers listed in this directory. While you are a member of our plan you may see any network provider for covered services, without a referral.

Out-of-network/non-contracted providers are under no obligation to treat HAP MSU-HC Medicare Prime (PPO) enrollees, except in emergencies. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our Customer Service Department at (888) 658- 2536, April 1 through September 30 – 8a.m. to 8p.m., Monday through Friday and October 1 through March 31 – 8a.m. to 8p.m., seven (7) days a week. TTY users should call 711. You may also refer to your Evidence of Coverage (EOC) for more information, including the cost sharing that applies to out-of-network services.

You can choose to receive care from out-of-network providers. However, if you use an out-of-network provider, your share of the costs for your covered services may be higher.

Out-of-network/non-contracted providers are under no obligation to treat Plan members except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage (EOC) for more information, including the cost-sharing that applies to out-of-network services.

Our appointment wait times for primary care and behavioral health services are as follows:

- Urgently needed services or emergency – immediately;
- Services that are not emergency or urgently needed, but you require medical attention – within 7 business days; and
- Routine and preventive care – within 30 business days.

If you get a bill from an out-of-network provider, do **not** pay the bill. Instead, submit the bill directly to HAP for processing and determination of liability, if any, at the address below. We will look at the bill and decide whether the services should be covered. If we decide they should be covered, we will pay the provider directly.

ATTN: Claims

You may get covered emergency medical care from the closest available provider whenever you need it, anywhere in the world. Our plan covers ambulance services in situations where getting to the emergency room in any other way could endanger your health.

Your coverage includes emergency care services, urgent care services and ambulance services whether you are within the United States or outside the United States and its territories.

If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If you get your follow-up care from out-of-network providers, you will pay the higher out-of-network cost-sharing.

You should always try to obtain urgently needed services from network providers. When you are outside the service area and cannot get care from a network provider, our plan will cover urgently needed services that you get from any qualified provider at the lower in-network cost-sharing amount. Our plan covers urgently needed care anywhere in the world.
