PHARMACY PROVIDERS

Introduction

This booklet provides a list of the HAP Senior Plus (HMO), HAP Senior Plus (HMO-POS), HAP Choice Medicare (HMO), HAP Senior Plus (PPO) and HAP Primary Choice Medicare (HMO) network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and Formulary.

When this pharmacy directory refers to “we,” “us”, or “our,” it means Health Alliance Plan of Michigan and Alliance Health and Life Insurance Company. When it refers to “plan” or “our plan,” it means HAP Senior Plus.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. **In most cases, your prescriptions are covered under our plans only if they are filled at a network pharmacy or through our mail order pharmacy service.** Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescriptions but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of Dec 22 2020. For the most current list, please visit:
https://www.hap.org/find-a-doctor

You can go to all the pharmacies on this list, but your costs for some drugs may be less at pharmacies in this list that offer preferred cost-sharing. We have marked these pharmacies with "Preferred Pharmacy" to distinguish them from other pharmacies in our network that offer standard cost-sharing.

You can get prescription drugs shipped to your home through our network mail order delivery program. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network, but that may be outside the service area for your plan. You may also fill your prescriptions at these pharmacies. For more information, please see the section in this pharmacy directory on Network Pharmacies outside the Service Area or contact us. Our contact information appears on the front and back cover pages.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a nonnetwork pharmacy, please see the first and last cover pages of this directory for information on how to contact us.

HAP Senior Plus (HMO), HAP Senior Plus (HMO-POS), HAP Choice Medicare (HMO), HAP Senior Plus (PPO) and HAP Primary Choice Medicare (HMO) are plans with Medicare contracts. Enrollment in the plans depends on contract renewals. HAP Senior Plus (PPO) is a product of Alliance Health and Life Insurance Company, a wholly owned subsidiary of HAP. The pharmacy network may change at any time. You will receive notice when necessary.

MAIL ORDER PHARMACIES

You can get prescription drugs shipped to your home through our network mail order delivery program. For refills of your mail order prescriptions, please contact us at least 14 business days before you think the drugs you have on hand will run out to make sure your next order is shipped to you in time. Typically, you should expect to receive your prescription drug within 7 to 10 business days from the time that the mail order pharmacy receives the order. If you do not receive your prescription drug(s) within this time please contact us. Our contact information can be found on the first page of this directory.

We understand that you may need drugs from your mail order pharmacy faster than they would usually send them. If you need quick access to drugs from your mail order pharmacy, you can call the pharmacy and let them know your situation including when you need your medication. They will work with you to get your medication delivered so that you don't go without your drugs. If they are unable to ship the medication in time, please contact us. We can work with you to get a temporary supply of medication filled at a local pharmacy.
